1:30 it is. You can call me (our Skype is working) or I can set up an Outlook meeting. Either is fine.

Yes, I am in, and my schedule is wide open tomorrow. My only request is lets do this at 9:00 a.m. or after, so I can digest my first cup of coffee (re: risk assessment).

Hi Gunnar,

Are you working tomorrow? (Feb 28) Just wanted to take a few minutes to go over comments before I reply to CFAC/Roux.

Mike

Mike:

Attached please find our review of CFAC's response to our comments to the Baseline Ecological Risk Assessment Work Plan and the Baseline Human Health Risk Assessment Work Plan. Note that we did not review the response to Brian's comments to the BERA work plan, or DEQ's comments. Erin could do so if you would like.

I have copied Brian Sanchez, David Berry and Dick Sloan on this email, so if anyone has any questions or comments on our review, please let us know. Again, we are targeting next Wednesday (February 28) for Mike to get these reviews back to CFAC in accordance with the schedule.
